

# BIRTHDAY PARTIES

## PLEASE READ

### How to Schedule your Party:

- Call or come in and speak to one of our Party Sales Specialists.
- Our Party Specialist will discuss with you available dates, times and specifics about your party to help you choose the best package for your needs.
- To ensure availability of private party room and host / hostess, your party should be scheduled at least 72 hours in advance. Party packages may still be purchased if your party is scheduled with less than 72 hours notice, but a private party room and host / hostess will not be guaranteed. Cakes may only be brought into the facility if your party is scheduled in a private room.
- A \$50.00 deposit is required to hold your party reservation. We CANNOT make your reservation if your deposit is not received. Deposits may be made by cash, credit or debit card.
- Party Cancellations: Deposits will be refunded for party cancellations made 48 hours prior to your party time. If you must cancel after the 48 hour deadline, but reschedule your party, the original deposit will be carried over. Cancellation after the 48 hour deadline, *without* re-scheduling, will result in a forfeited deposit.

### Before Your Party:

- Your Party Specialist will contact you prior to your scheduled party to confirm:
  1. Party date, time and package.
  2. Number of estimated guests.
